

Your Local, Your Collective Agreement

The collective agreement represents the accord reached between the Local and the Peel District School Board. There should be no aberrations, or creative interpretations of the language by administrators or teachers. We owe it to ourselves and our colleagues to be vigilant and actively defend all provisions. We must continue to work together to ensure there are no breaches to language governing such issues as supervision, preparation time, and staff meetings. We have worked hard to address the work/life quality of teachers. Should you have any questions about contract language, implementation or issues arising at your site please be sure to contact your steward or the Local directly.
